

## Church Programs

Faith Presbyterian Church sponsors a number of youth and adult programs. Some of the programs are offered through our Sunday School (Christian Education) programs and others are offered as separate programs. Some of our programs are listed below.

- **Care Giving Ministries:** The leadership at Faith participates in pastoral care visitation and oversees a pastoral care ministry that supports and reinforces the "web of care" principles that are characteristic of this church. [Click here for more information.](#)
- **Church School:** Church school is provided during the traditional school year as well as in the summer for children, youth, and adults. The success of the program is due to the dedicated teacher volunteers that provide learning opportunities each Sunday morning during the year. [Click here for more information.](#)
- **Faith Facebook:** [Click here to connect with Faith Presbyterian Church Indianapolis.](#)
- **Fellowship and Care Programs:** Fellowship and care is important for "cultivating faithful relationships" with members of Faith. The leadership at Faith participates in pastoral care visitation and oversees a fellowship ministry that supports and reinforces the "web of care" principles that are characteristic of this church. [Click here for more information.](#)
- **Mission Programs:** Faith Presbyterian Church practices a hands-on ministry. Whether it's a local or global issue, the Faith mission program promotes the big picture involvement of the church. From building a schoolhouse in Mexico to providing a meal and safe place to sleep for local homeless families, we promote caring for those that are less fortunate through this ministry. The work is diverse, rewarding and unfortunately never done. [Click here for more information.](#)
- **Prayer Groups:** Faith Presbyterian Church is blessed with many faithful "prayers." We welcome you to become a part of our prayer ministry. [Click here to see the prayer group opportunities.](#)
- **Scout Programs:** Faith hosts Boy Scouts of America Troop 275, Cub Scout Pack 831, Venturing Crew 1776, and Girl Scout Troops 828 and 54/9. [Click here for more information.](#)
- **Special Programs:** Faith promotes "Special" programs throughout the year. Faith has held a Pig Roast, Strawberry Festival, Easter Egg Hunt, Youth Programs, Christmas Programs, Bible Studies, Taize Worship, Choir Festivals, Trunk Treet, Trivia Night, and many other programs. Some of the special

programs are annual and others are for a single year. Click on the "Specials" box to obtain information on current special events that are scheduled to take place or special news items of interest to the church and community.

- **Stephen Ministry:** Specially trained members of our congregation provide one-to-one Christian care to people in our congregation who are experiencing difficulties in life. [Click here for more information.](#)
- **The Well:** A Wednesday evening program (weekly from 5:30-7:30 p.m.) for all ages. The program consists of a dinner (with freewill donation), community worship and music, and classes for all ages. This program replaces and expands a very successful LOGOS program that Faith presented for many years. [Click here for more information.](#)
- **Vacation Bible School (VBS):** VBS is a program that usually is held in June. An evening format has been most recently used. Each year, we look for new ideas for VBS themes as well as ways that we can increase participation. The financial support of the Enduring Gifts of Faith has enabled us to offer Vacation Bible School free to the congregation and the community. [Click here to see the brochure for the most recent or scheduled VBS.](#)
- **Worship and Music Program:** On most Sundays, Faith Presbyterian Church conducts a contemporary worship service with contemporary Christian music and a traditional worship service with traditional music. [Click here to see more on our Worship and Music Program.](#)
- **Youth Group:** Faith has a vibrant Youth Group that meets Sunday evenings (and other scheduled days) to form friendships and discern God's plan for their lives. Many other events and projects are part of this group, including mission trips. [Click here for more information.](#)
