

Evangelism and Outreach Inquirer Reference

What have Inquirer Classes discussed throughout the past years? We have compiled several presentations that cover the material presented by several of Faith's pastors, material used as reference documents, and material that was provided to class participants as a result of their specific questions. This material is intended to be a reference for individuals contemplating becoming a member of Faith Presbyterian Church. The material is listed below along with a brief summary of the material. When you click on any of the items, the actual material will be presented in a new window. As with this window, the first thing that you should do is click on the middle button at the top right corner to get a full screen view. When you have finished with that window, click on the RED button to the top right of the screen.

- **Slide Show Presentations** - You will be presented with five choices. You should select the first one (READ ME FIRST) to get some information on how to view the slide show presentation. The other four choices are for four different topics.
- **Written narrative** - For the time being, this is a Microsoft Word presentation that accompanies the Slide Show Presentation. We are working on a slide show presentation with audio. You will also be given the opportunity to print this material if you wish (the print button is displayed at the top right corner).
- **Inquirer Class Handouts** - This lets you get a copy of any of the handouts that previous class member received (a list of Microsoft Word documents that you can print if you desire).

Contact the Pastor by e-mail or phone. If you are interested in exploring the possibility of becoming a member of Faith Presbyterian Church, we invite you to attend one of our Inquirer's Classes. These classes are presented periodically, so we invite you to contact the Pastor so that we can plan on your attendance.
