Service for Wholeness and Healing

Held once a month following the second worship service in the sanctuary.

The short worship service is led by one of our pastors for those who

- seek spiritual, physical, emotional wholeness
- wish to pray for all those who are in need of healing
- wish to pray for all who are disabled by confusion or pain
- hunger for the assurance of God's presence in their lives

“I pray that you may have the power to comprehend what is the breadth and length and height and depth, and to know the love of Christ that surpasses knowledge, so that you may be filled with all the fullness of God.”
