

WORSHIP SERVICE VIDEOS

This screen presents you with the most recent sermon videos. Simply click on the Sermon Title below that you want to view. When the video screen appears, there are several controls that are not initially visible. To access the audio/video controls, use the scroll bar to the right of the screen and position to the controls. While viewing, if you want to pause, click on the first button at the lower left side of the screen. Clicking the button again resumes the video. After the video is finished, if you want to review the video again, click on the right (white) arrow at the lower right corner. When the video is over, click on the X at the top right corner of the video.
