

Welcome to the Faith News

As shown in the drop-down boxes displayed, the news that is presented consists of:

- **This Week at Faith**, a listing of some of the activities at Faith Presbyterian Church. You may also access the **Monthly Calendar** by clicking the box next to this one or the **Weekly Calendar** by clicking the drop-down box under the Calendar.
- **Week Announcements**, an edited version of the announcements that are placed in the weekly bulletin. These announcements may contain information about our activities (youth, adult, worship services, etc.) for the week or in the near future. The actual announcements can be accessed by Faith members by using the **FaithMembers** menu button at the top right side of the main screen. This also requires that you log onto the web site using the Login box that will appear when you are transferred to the Faith Member subdomain.
- **FaithFULL News (Edited)**, an edited version of the monthly publication of Faith news. This publication contains articles on current events as well as upcoming events, updates on our Ministry Teams (these are listed on the left of the screen when the Home screen is displayed), updates on Youth activities, and other information. The unedited version of the **FaithFULL** can be obtained by contacting the church office. A copy of the **FaithFULL** is also available to church members by logging onto the **FaithMember** web site.
- **Monthly Calendar**, a listing of scheduled activities by month. The schedule is maintained by the church office. If you have any activities that need to be included, please contact the church office.
- **Additional items** are included as available.

[If you want to contact the church office, please click here.](#) You will be given the name of our office manager, a telephone number to call, and the ability to send us an e-mail.
